Parent Association Meeting
Minutes
2/7/2014

Introduction of Executive team:
Executive Members Present:
President: Joanne Grell, Treasurer: Vivian Burrus, Secretary: Ana Pacheco
Meeting called to order at 11:30 am. Full Executive Board present

The Approval of the Minutes and Remarks by Joanne Grell:

- No Minute notes from last meeting due to no parent turnout therefore a meeting did not take place.
- The purpose of a PA is to help parents become involved in their children's education, to share ideas and try to enrich their children's school communities also all parents are members of the School Leadership Team. Do not wait to come to a PA meeting when a situation arises and look to the PA for help, please become involved now. The PA is in danger of not existing next school year due to lack of participation. There is also the concern of who will take over the executive board for the 2015-2016 school year.
- MWI will be coming up next week and Leo Quintero would like to welcome parents to come visit and take a tour during this unique week.
- The PA website is going to be updated, it is lackluster.
- A book fair is being planned and it will be called, "Lights, Camera, READ!" Tentatively scheduled for the days of April 21st and 22nd. Also looking to have a parent breakfast to go along with the event.
- We will also have, "Donate a Book" during the event. Ms. Singh is procuring a library for students.
- FYI for parents: Scholastic scholarships are available for students, please go on their website for more details.
- MOVIE NIGHT: Tentatively scheduled for May 1st, May 8th, and 15th, those dates may change. Come out and see student films, MWI films and a feature film. Popcorn and snacks will be available.
- School Surveys are approaching and it is so important for parents to fill them out. Last year only 16% of parents filled them out. A "PSA" is being created by our film honor students to show how important it is for these surveys to be filled out.
- A Raffle will also be held, parents will receive a ticket after they fill out the surveys.
- Career Day is being planned.
