Permission to Request FAFSA PIN for Parent/Guardian

(Personal Identification Number)

ALL students need to fill out the Free Application for Federal Student Aid (FAFSA) in order to secure any type of financial aid for college.

Both you and your student must have a Personal Identification Number (PIN) to complete the FAFSA. PINs are digital signatures used to sign the FAFSA application. You and your student will use these PINs throughout the four years of college to secure financial aid.

New York Cares and The Cinema School takes the privacy of your documents and PIN numbers extremely seriously—only your student and authorized staff and will have access to your family's PINs. Your student will also complete his/her FAFSA online using tax and income information submitted by you.

- ☐ **YES, I give permission for my student to apply online for FAFSA PINs for student and parent/guardian.**
- ☐ **NO, I already have a FAFSA PIN, which I will share with my student.**
