7. **Academic Integrity**

Please remember that Academic Integrity is at the heart of a sound academic policy. The integrity of a school course and program depend on the honest completion of student work. Cheating and/or plagiarism violate the most basic understanding between a student and a teacher—that a student's work is his/her own.

- Cheating occurs when a student:
 - copies someone else's work and/or violates copyright.
 - allows someone else to copy his/her work.
 - allows someone to complete his/her work.
- If a student is caught cheating, he/she will:
 - need to take the opportunity to redo the assignment.
 - be referred for disciplinary action.
